Dear Brothers and Sisters in Christ,

Thank you for your interest in the Pre-release program at Limestone Correctional Facility. Hebrews 13:3 states, “Remember those who are in prison as if you were in prison with them. Remember those who are suffering as if you were suffering with them.” Asbury UMC has been invited to coordinate the network of churches that will help men as they are released from Limestone. As a participant your church can help in many ways, but specifically we are requesting the following:

- First and foremost, receive the man into your congregation and support him through prayer and fellowship.
- Develop a list of resources in your community such as food pantry, medical assistance, transportation, clothing, education, etc... anything a newly release man might need to establish himself in the community. When they are released they may have nothing.
- Create a profile on the Alabama state sponsored network at [www.alabamacprnetwork.com](http://www.alabamacprnetwork.com) This is a social networking site for coordinating the communities and agencies who are participating in the pre-release program.
- Volunteer to serve on the community network team. There are many positions available. It will take a lot of work to connect every man with a church upon his release.

Thanks again for your interest in the pre-release program. If you are interested in learning more, please contact: John Ryberg at Asbury United Methodist Church. Phone: 256-837-0365 ext. 232 or via email at [john.ryberg@asburyumc.ws](mailto:john.ryberg@asburyumc.ws)

God Bless You.
