A Gift to Bless the City

And the LORD God took the man, and put him into the garden of Eden to dress it and to keep it. (Genesis 2:15)

We take this commission seriously! At Passover 2009 we choose to bless the city through our Biblical responsibility to cultivate and protect the land upon which the people of this city and region reside. In the middle of this city is the Big Spring, which has historically brought life and beauty to this land — there is an air of Eden about it.

Much credit for the clean and beautiful park and city we enjoy goes to Huntsville's Green Team. This team is an indigenous group (mostly volunteers) who tirelessly organize details to pick up trash and plant shrubbery. They help protect and steward this land that makes Huntsville one of the top ten cleanest and most beautiful cities for its size in the nation.

Mrs. Joy McKee and the Green Team are in dire need of a new greenhouse to replace the old deteriorating one on Drake Avenue. The greenhouse enables the city to save by cultivating and raising new trees, plants, and flowers which are a blessing to the whole city. The plantings are used for all city parks, streets, highways, city buildings, Research Park, recreational centers, on the square, and downtown. Our offering in 2009 will help the Green Team fulfill their need in response to the commission of Genesis 2:15.

The earth is the LORD's, and everything in it (Psalms 24:1)

Christ Our Passover Celebration 2009

Operation Green Team

A Fellowship Meal

He brought me to the banqueting house, and His banner over me was love. (SOS 2:4)

Eating together is the universal gesture of love and acceptance in every culture. The Kingdom of God is no exception. Jesus chose the Hebrew "Seder" meal as His Last Supper to eat with the disciples. Through this unique meal, He demonstrated the lessons of love and unity that He desired of His followers when He said to them at the table:

By this shall all men know that you are my disciples, if you have love one to another. (John 13:35)

"This event is one that crosses the barriers of Church denominations and allows us to come as one through our Passover Lamb, Jesus Christ. I encourage the Body of Christ, throughout the entire region, to come and 'keep the feast' together at the *Christ Our Passover* celebration."

*Pastor Rusty Nelson
Rock Family Worship Center*

We encourage you to reserve this evening, Tuesday, April 7, 2009, for celebrating Christian unity. When Israel left Egypt, it did not matter what tribe (church) they belonged to, it only mattered that the blood of the lamb was applied to their doorpost. The blood of the sacrificed lamb makes us one! The banquet will be a traditional menu, not a Seder meal.

"The Christ Our Passover celebration affords an excellent opportunity to demonstrate the unity of the Body of Christ in the Huntsville area. In the context of the Jewish Passover Feast, participants gather to break bread, worship, and celebrate the prophetic fulfillment of the Passover in our Lord Jesus Christ. This is truly a wonderful gathering."

*Alan Weatherly
Senior Pastor, Asbury United Methodist Church*

The Christian Family

Everyone Welcome

Join believers from many streams of the Christian faith in celebrating together. A dramatic demonstration of Christ in the Hebrew Seder (Passover) meal will be presented.

For we being many are one bread, and one body: for we are all partakers of that one bread. (1 Corinthians 10:17)

Unity Prayer of Jesus

It was during the Passover week that Jesus prayed His now famous prayer for **unity**: "I do not pray for these alone, but also for those who will believe in Me through their word; that they all may be one . . . that the world may believe that You sent Me." (John 17:20-21)

"I am delighted to enthusiastically endorse the *Christ Our Passover* celebration. In my opinion this activity has made a significant impact on the Christian community in helping them gain a clearer understanding of the history of the Judeo-Christian roots of the Christian faith. A number of former participants have commented to me how helpful this event has been in enhancing their understanding of the faith."

*Dr. John L. Herndon, Pastor
Fellowship Presbyterian Church (USA)*

Deliverance and *Brotherhood/Unity* are the key lessons to be learned from the Passover Seder demonstration. First, Christ can *deliver* us from every enslaving condition of mankind. Second, the key to unity is *humility*. Jesus demonstrated these two lessons by offering the cup of *blessing* and washing the disciples' feet.

"I continue to marvel at the unique contribution the *Christ Our Passover* event brings to our city - and region! It has a way of creatively uniting the Body of Christ while at the same time linking Hebrew and Christian sensitivities and understandings of the world God has created and continues to create! Who knows what 'new thing' the Holy One will bring about this year through this most meaningful celebration of unity!"

*The Reverend Frank Broyles
Faith Presbyterian Church*
