A Gift to Bless the City

Blessing for Blessing!

I will make you [Abraham] a great nation . . . I will bless those who bless you, and I will curse him who curses you; and in you all the families of the earth shall be blessed.” (Genesis 12:2-3)

Christians in particular, and the world in general, owe a debt of gratitude to the Jewish people for the many blessings we have received. In response to the foregoing promise of God, we will express unconditional love and blessing to the Jewish community through this annual citywide offering. It will be designated for local needs and international humanitarian works.

For if the Gentiles have shared in the Jews’ spiritual blessings, they owe it to the Jews to share with them their material blessings. (Rom 15:27-28 NIV)

It is God’s promise! The city of Huntsville will be blessed as a result of this united Christian effort to bless the nation of Israel and the Jewish community! We encourage you to attend the *Christ Our Passover* banquet, take part in this Biblical celebration and demonstrate practical Christianity through the material *blessing* of Abraham’s seed!

Christ Our Passover Celebration 2008

A Fellowship Meal

He brought me to the banqueting house, and His banner over me was love. (SOS 2:4)

Eating together is the universal gesture of love and acceptance in every culture. The Kingdom of God is no exception. Jesus chose the Hebrew “Seder” meal as His Last Supper to eat with the disciples. Through this unique meal, He demonstrated the lessons of love and unity that He desired of his followers when He said to them at the table:

By this shall all men know that you are my disciples, if you have love one to another. (John 13:35)

“This event is one that crosses the barriers of Church Denominations and allows us to come as one through our Passover Lamb, Jesus Christ. I encourage the Body of Christ, throughout the entire region, to come and ‘keep the feast’ together at the *Christ Our Passover* celebration.”

*Pastor Rusty Nelson
Rock Family Worship Center*

We encourage you to reserve this evening, Tuesday, April 15, 2008, for celebrating Christian unity. When Israel left Egypt, it did not matter what tribe (church) they belonged to, it only mattered that the blood of the lamb was applied to their doorpost. The blood of the sacrificed lamb makes us one! The banquet will be a traditional menu, not a Seder meal.

“I have personally participated in the *Christ Our Passover* celebration and it has been an enriching spiritual experience for me. I encourage any and all who can to participate this year, Tuesday, April 15, 2008.”

Pastor Garry Jordan

The Christian Family

Everyone Welcome

Join believers from many streams of the Christian faith in celebrating together. A dramatic demonstration of Christ in the Hebrew Seder (Passover) meal will be presented.

For we being many are one bread, and one body: for we are all partakers of that one bread. (1 Corinthians 10:17)

Unity Prayer of Jesus

It was during the Passover week that Jesus prayed His now famous prayer for **unity**: “*I do not pray for these alone, but also for those who will believe in Me through their word; that they all may be one . . . that the world may believe that You sent Me.*” (John 17:20-21)

“I am delighted to enthusiastically endorse the *Christ Our Passover* celebration. In my opinion this activity has made a significant impact on the Christian community in helping them gain a clearer understanding of the history of the Judeo-Christian roots of the Christian faith. A number of former participants have commented to me how helpful this event has been in enhancing their understanding of the faith.”

*Dr. John L. Herndon, Pastor
Fellowship Presbyterian Church (USA)*

Deliverance and **Brotherhood /Unity** are key lessons to be learned from the Passover Seder demonstration. First, Christ can deliver us from every enslaving condition of mankind. Second, the key to unity is **humility**. Jesus demonstrated these two lessons by offering the cup of **blessing** and washing the disciples’ feet.

“I continue to marvel at the unique contribution the *Christ Our Passover* event brings to our city - and region! It has a way of creatively uniting the Body of Christ while at the same time linking Hebrew and Christian sensitivities and understandings of the world God has created and continues to create! Who knows what ‘new thing’ the Holy One will bring about this year through this most meaningful celebration of unity!”

*The Reverend Frank Broyles
Faith Presbyterian Church*
