

## **90 Days of Compassion and Outreach Blessing Our City!**

The 90 days following the Global Day of Prayer will include area-wide initiatives of compassion and mercy to areas of community need. This will include strategic area-wide initiatives in addition to many joint endeavors where multiple churches and organizations come together to focus in an area of shared burden and vision.

### **GDOP 90 Days of Compassion, Outreach, and Community Service**

The 90 days of compassion and community service to areas of recognized need will include a variety of joint efforts from **neighborhood revitalization**, to **food distribution**, and specific focus in 2006 including **education** and the **schools**.

#### **Community Impact Initiatives Greater Huntsville Area**

Multiple outreach opportunities are being coordinated through local congregations and ministries and represent the a 5-year effort to serve and bless our communities.

**TOGETHER ...**

**May we WASH THE FEET OF OUR CITY!**

#### **GDOP Area-Wide Compassion Coalition "Ground Zero" - Colonial Hills!**

The purpose is to **connect, unite, and focus** joint compassion and outreach efforts in our community over these 90 days for the greatest impact together.

If you, your congregation, ministry, or organization has **compassion or outreach efforts** in the community during these 90 days (**and invite partnership** of other congregations or ministries to join you), please let us know (please provide contact and information online here [90 Days - Involvement](http://www.MissionHuntsville.org) or by email [info@MissionHuntsville.org](mailto:info@MissionHuntsville.org) or phone or fax: 1-877-878-5902, toll free - area

calling not required).

While joint efforts among congregations will be occurring throughout the city during these 90 days, the **emerging strategy** for the **90 Days of Compassion and Outreach** includes a **area-wide focus to target a specific geographic area** (undergirding and lifting the arms of those ministries God has planted in that area), with the intent for something lasting to emerge (or be enlarged) and sustained locally once the area-wide focus completes.

This year the **area-wide geographic focus** will be **Colonial Hills** (the neighborhood, congregations, and schools), which will serve as our **"Ground Zero"** for the initial compassion efforts of these 90 days (working outward) - whether community service, food distribution, neighborhood revitalization (roofing, repair homes, etc.), block parties and outreach, etc.

**90 Days of Compassion and Outreach – BLESS THE CITY!**

**VOLUNTEER NEEDS:**

Food Distribution Teams, and Help (to unload, sort food)

Special Note: In addition to blessing many families with the above Angel Food Distribution during this month (and communicating area resources and food distribution available to them in future months), we would also like to raise sponsorship to provide the above monthly for one year to as many families as possible (about 50 families in particular). This may be done for \$25/month per family (i.e. \$300 per family for the year). If you would be able or interested in sponsoring a family for one year through Angel Food/Manna House, please let us know (email [info@MissionHuntsville.org](mailto:info@MissionHuntsville.org), or phone 1-877-878-5902, toll free - area calling not required).
