Africa Invites the World ...

An **incredible opportunity** is being presented to Greater Huntsville in association with an international effort known as the **Global Day of Prayer (GDOP)** ...

From sunrise in the East to sunset in the West, Christians will fill stadiums across the globe for worship and prayer on Pentecost Sunday, June 4th 2006. The focus includes their cities and communities, their nation and continent, and the nations of the world. Over 200,000,000 Christians are expected to participate, including leadership from 6 continents and over 240 nations, with international broadcasts that will occur from at least one stadium from each time zone.

The strategy is 3-fold:

- 1.) Mobilize **10 days** of 24 hour **prayer** leading up to Pentecost Sunday (May 25th - June 4th, 2006)
- 2.) Mobilize a **1 day** public **stadium event** Pentecost Sunday (June 4th, 2006)
- 3.) Mobilize **90 days** to bless the city - mercy, compassion, outreach, and **community service** to areas of recognized need (June 5th - Sept 2nd, 2006)

This is to be built on for 5-years (through 2010), and sprang out of Africa (the "dark" continent becoming a "light" to the nations), and in the last four years has spread to the entire continent, every nation in Africa participating, and last year spread internationally to include the world. Currently many states have GDOP events in planning and now Huntsville city leaders have granted the Christian community the use of Joe Davis Stadium! Please plan to join Christians around the world - people of every nation, language, and tongue - as we come together in corporate prayer for our cities, communities, and nations from 3pm-6pm, June 4th 2006, on Pentecost Sunday - the day the church was born ... the day the Great Commission was ignited.
