CHRISTIANS UNITED IN PRAYER FOR THE NATIONS
"Until righteousness goes forth as the sunrise, and salvation as a blazing torch" Isa 62:1

Global Day of Prayer (GDOP) Huntsville - Christians United in Prayer for the Nations!

Africa invites the world ...

An incredible opportunity is being presented to us (the Christian community of Greater Huntsville) in association with an international effort known as the "Global Day of Prayer" (GDOP) ...

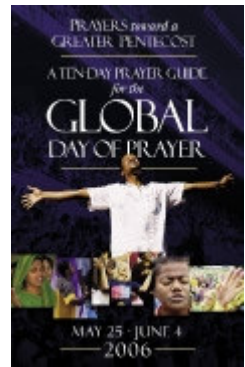

From sunrise in the East to sunset in the West, Christians will fill stadiums across the globe for worship and prayer on Pentecost Sunday, June 4th 2006. The focus includes their cities/communities, their nation/continent, and the nations of the world. Over 200,000,000 Christians are expected to participate, including leadership from 6 continents and over 240 nations, with international broadcasts that will occur from at least one stadium from each time zone.

The strategy in 3-fold:

- 1.) Mobilize **10 days** of 24 hour prayer leading up to Pentecost Sunday (May 25th - June 4th, 2006)
- 2.) Mobilize a **1 day** public stadium event Pentecost Sunday (June 4th, 2006)
- 3.) Mobilize **90 days** to bless the city - mercy and compassion ministry to areas of need (June 5th - Sept 2nd, 2006)

This sprang out of Africa (the "dark" continent becoming a "light" to the nations!), and in the last four years has spread to the entire continent, every nation in Africa participating, and last year leapt internationally to include the world.

Huntsville! Currently many states have GDOP events in planning. Huntsville city leaders have granted the Christian community the use of **Joe Davis Stadium!** Please plan to join Christians around the world - people of every nation, language, and tongue - as we come together in corporate prayer for our cities, communities, and nations from **3pm-6pm, June 4th 2006, on Pentecost Sunday - the day the church was born ... the day the Great Commission was ignited ...**
