Workshop with Os Hillman

Seeing Our Work as A Calling from God

Marketplace and Business Community - A Workshop with Os Hillman

"Called to the Workplace" *A Workshop with Os Hillman*

Faith and calling are not to be segmented from our work and vocation. Whether in the corporate workplace, a Christian ministry, or as a mom raising children, **"Called to the Workplace - from Esau to Joseph" will prepare you to make a difference in the kingdom of God through your work and life.** The workshop is filled with biblically based principles that will help you discern purpose, calling, and the role of faith in the workplace and the

business community.
