

Dear Pastor:

Occasionally an extraordinary opportunity comes our way that needs to be taken advantage of by as many individuals as possible. Together we want to share with you such an occasion. Safe at Home with Scott Dawson is an event that successfully partners the thrill of Minor League Baseball with the strength of local churches to produce a post game event with music and a message that changes lives. The Huntsville Stars will host a **Safe At Home** event at **Joe Davis Stadium** on **Sunday afternoon, July 30, 2006**.

To kick off the preparation for this event we as pastors and leaders have the exclusive opportunity to attend a morning to learn about Safe At Home and view a pre-screening of an upcoming major motion picture.

SAFE AT HOME KICK OFF

FREE PRE-SCREENING OF
"END OF THE SPEAR"

MONDAY, JANUARY 9, 2006
9:00 A.M. - NOON

REGAL HOLLYWOOD 18
3312 SOUTH MEMORIAL PARKWAY
HUNTSVILLE, ALABAMA 35802

We would like to take this opportunity to personally invite you to a morning that could be used to impact your entire congregation! The meeting will have a two-pronged emphasis. **First**, you will be introduced to the benefits of participating in this event and the steps necessary to effectively prepare for **Safe At Home**.

Second, you will be our guest for a **private screening** of the new film, "End of the Spear." This film could have a missionary impact like we have never seen in Christendom. If you have read Elisabeth Elliot's book, "Beyond the Gates", you are familiar with this story. On January 20th this film will open nationwide and we want the churches to know what is on the horizon. Materials will be available for you and your church to learn how you can be involved. Those who have personally seen this film have been moved by it.

Once again, we want to personally invite you to join us and other leaders across Huntsville as we invest a morning that we all pray bring eternal rewards. We look forward to meeting you soon.

Thank you for your service in the Kingdom and be assured we stand with you!

Blessings,

Scott Dawson
