*Christians United in Prayer for the Nations*

Sunday May 15<sup>th</sup>, 2005, 3pm-6pm

**From sunrise in the East to sunset in the West, Christians will fill stadiums across the globe for worship and prayer on Pentecost Sunday, May 15th 2005 in what has become known as the Global Day of Prayer (GDOP)!** The focus includes their cities, communities, nation, continent, and the nations of the world. Over 200,000,000 Christians are expected to participate, including leadership from 6 continents and over 240 nations, with international broadcasts that will occur from at least one stadium from each time zone.
